CMSP Letter No. 99-16  
Issue Date: November 5, 1999

**TO: All County Medical Services Program Welfare Directors**

**SUBJECT: COUNTY MEDICAL SERVICES PROGRAM UNIT STAFF ASSIGNMENTS**

Enclosed is the updated list of County Medical Services Program (CMSP) staff assignments by analyst and function as well as the current telephone listings for each analyst.

Please note that the CMSP Unit utilizes an "Analyst of the Day" (AOD) system in which, on a rotational basis, each analyst is responsible to receive and respond to problems and inquiries received by phone from beneficiaries, providers, county staff, legislators, etc. For general information, we request that calls be directed to the AOD at (916) 322-1478.

If you have any questions concerning this information, please call Mr. Gary Varner, in the CMSP Unit, at (916) 322-1613.

A handwritten signature in cursive script that reads 'Linda McFarland'.

*In addition to the staff's permanent functional assignments, each staff person has responsibility to receive, research and respond to problems and inquiries received via phone from providers, beneficiaries, county staff, legislators, etc. Staff are rotated daily to be "Analyst of the Day". Some of these problems/inquiries can be resolved in a matter of minutes; however, many calls require technical assistance from other programs within the Department and could take up to several days/weeks to resolve. The purpose of this assignment is to develop the CMSP staff's knowledge of all CMSP functions within the Program, and to create back-up staff for all CMSP activities.*
